

## Consignment Policy

Due to space limitations, we will only be accepting three (3) grocery-sized bags of items for consideration, per appointment. Items should be in clean, like-new condition and ready for resale -- free of odors or pet hairs. Items with stains, snags, rips, creasing, fading, piling, noticeable wear, missing parts or pieces, etc. or without working batteries will not be accepted. Store management reserves the right to select items based on resale ability.

Toys/items that require batteries need to be consigned in working order with working batteries to be accepted. Toys or "sets" that are scuffed, showing missing paint, broken, cracked, or missing parts may not be accepted at the discretion of store management.

We will collect your items, name, and contact info, and determine items for consignment after hours. We will determine what items are best for inventory & resale and reserve the right to limit our selection to 25 items.

We will inform you of the items selected for consignment within 1 week of drop-off and notify you to retrieve your remaining items before being tagged for donation.

### PAYOUTS

Rosebuds & RosestudS has a new consignment policy effective January 1, 2020. Once items sell, we offer 30% cash back -or- 40% store credit. Items left for consignment are managed by the store owners and are subject to store policy and sale/discounted prices. Note: no store credit accepted on new items.

Cash payouts are paid out on the first week of each month from the 1st through 6th. If you are not able to collect your funds during this time -- no worries -- it will be available to you on the following month!

Payouts are made by store owners only; our shop team will not be able to accommodate requests for payout. Please call ahead to ensure our management is on-site for your payout: 626-403-7673.

### DONATION & LEFT ITEMS

Due to our space and the extremely generous consigner inventory from our community, we cannot store consignee items not selected for resale. While we are not a donation site, any items left at the store after a 7-day notice will be donated to local charities. Please be sure to promptly retrieve any items you wish to keep -- it is important to be sure to update us with your contact information, including phone & email. We are not able to provide receipts or invoices of donations.

Rosebuds & RosestudS, their owners, and their shop team are not responsible for damage, theft, or loss of items once consigned.

We are so grateful that you have chosen to consign with us -- thank you for understanding our policy!  
By signing below, and initialing the boxes above, you agree to the stated terms and conditions.
